Royal Academy of Dance Ballet Exams

Ages 6+ ballet classes will be learning the RAD Ballet syllabus and will be eligible to participate in exams. Invitations for exams will be given out to dancers who qualify. You do not need to participate in exams to take these classes. Note, ballet class age groups differ from our usual. Check our website for more information. Placement may change depending on dancers ability. [Extra exam fees will be applicable upon acceptance of invitation.]

Contortion Class

Branch of Acro dance. Learn to be extra flexible and bend in unimaginable ways!

**We will move you to the appropriate RAD Ballet class based on exam age requirements and skill levels.*

*** Highly recommend adding acro & contortion together*

IMD reserves the right to change the schedule. Classes are shown by age, however placement is according to level/ability. IMD staff will be happy to assist in placing your dancer in the appropriate class.
